

CASTING VISION. REACHING NATIONS.

PASTORS' VISION COHORT

JOURNEY WITH US IN A MISSIONAL COMMUNITY

According to Barna research 42% of pastors have considered quitting full-time ministry in 2022.

IDENTITY & FORMATION

See how your story fits into God's story of re-creation and empowerment. Form your identity in Jesus' commands to love God and love our neighbors.

CULTURE & WORLDVIEW

Learn new ways of seeing how God reveals himself uniquely in your context and the cultures around us.

VISION CASTING

Examine global trends, integral mission, and how partnerships are essential in the mobilization and movement of the church as you cast vision for yourself and your congregation.

IMMERSIVE EXPERIENCE

Bring it all together in a cross-cultural context as we practice ethnographic methods and contextualization in an international experience led by TMS Global's leaders in cross-cultural training.

TMS Global has the resources, the training, and the relationships with pastors nationally who are in this post-pandemic planning of trying to build a more mobilized, globally engaged church.
